

The details of the performance of the institution in one area distinctive to its vision, priority and thrust

The institute takes continuous efforts to reflect its vision, priority, and thrust through various activities. The vision of our institute is to impart higher education to socially and economically deprived classes living in hilly, rural, and drought-prone areas of the Satara district. There was no facility for higher education in this area before the establishment of our institute. This opportunity is made available by Rayat Shikshan Sanstha, Satara. Our aim is to provide higher education to all classes of society, especially to the downtrodden, economically, and socially backward classes of society to make them self-confident and self-reliant. We strive to give quality education and provide better facilities to the students who come from remote villages in drought-prone areas. To fulfill the social needs, the college provides UG (Arts and Commerce) and PG (Hindi) programs in different disciplines. “Education through Self-help” is the Motto of our parent Institute. To supplement the academic programs, the college has introduced career-oriented courses such as Balwadi Sevika Training Course, Translation and Communicative Proficiency, and Tally Package, as well as some short-term certificate courses like Modi Script. Library Training Certificate Course (LTC), Making Paper Bags, Candles, and Cookery, Fashion Designing, Tailoring, Beauty and Wellness, Yoga, Karate, Foundation Course in Spoken English, Anchoring. Co-curricular and extra-curricular activities are planned with the intent to improve the overall personality of the students and make them globally competent. The institute also imparts value-based education, embodying socio-cultural, commercial, and physical training in order to achieve all-around development of the students personalities. To cope with competition, Competitive Examination Guidance Centre is functional in the institute. ICT-based Modern teaching aids are adopted by the entire faculty to make the teaching-learning process more effective and easy. While imparting education, the college makes no distinction of gender, region, religion, caste, creed, or class because we believe in the principles of liberty, equality, and fraternity which foster human democratic values. All the college activities are student-centric. The distinctiveness of the college is the introduction of short-term courses. Along with the B.A. / B. Com. the students acquire various professional skills like professional ethics, job opportunities, and self-business. All students are engaged in various courses which are run by the college. The college runs 11 short-term courses. These programs strengthen knowledge, communication skills, creative and productive abilities, and job opportunities. These courses also help the students in their overall development. The 21st century is an era of Computer

technology. Soft Skills are the most essential factors for students to cope with global competition. These skills can be acquired through short-term courses. This has created an opportunity for students from rural backgrounds to learn new skills. Below are given the number of certificates and short-term courses along with the beneficiaries.
