

Core Values:

Throughout the world, Higher Education Institutions (HEIs) function in a dynamic environment. The need to expand the system of higher education, the impact of technology on the educational delivery, the increasing private participation in higher education and the impact of globalization (including liberal cross-border and trans-national educational imperatives), have necessitated marked changes in the Indian higher education system. These changes and the consequent shift in values have been taken into cognizance by NAAC while formulating the core values.

- 1) Contributing to National Development
- 2) Fostering Global Competencies among Students
- 3) Inculcating a Value System among Students
- 4) Promoting the Use of Technology
- 5) Quest for Excellence
- 6) To work for the upliftment of weaker sections of society
- 7) Self reliance through learn and earn scheme
- 8) Striving for eco-sensitive society
- 9) Exploring short term courses
- 10) Molding human administrators of tomorrow through Competitive Examination Guidance
